

Hello!

Since 2004, we have been continually developing and improving products for the car hauling industry. Over the years, we've introduced the Big Orange line of wheel straps, the Big Red height sticks, and our new Diamond Weave products. We try to provide the best possible quality, service and prices for our customers. If you're not 100% satisfied with your purchase, or if you have ideas for other ways we could help car haulers, here is my direct contact information.

### 10 ft Diamond Weave ratchet wheel strap with swivel J hooks -BLUE

SKU#: [AH-A-2X11RSJ-RCS-DW](#)

★★★★★ 4.3 (3 reviews)

**Our Price: \$26.95**

NEW: buy 100, get free shipping! Made with the patented Blue Diamond Weave auto tie-down strap. Features single swivel J hooks, three rubber tread grabs and one inch strap sewn into blocking pattern to keep the rubber tread grabs from moving around too much. Did you know the main reason why Blue Diamond Weave received patent protection is because its tighter weave pattern demonstrated five times the abrasion resistance in laboratory tests? No, this doesn't mean you can run over these straps repeatedly... they can still be cut! But they have reinforced fibers woven into the edges and used properly, we expect these will last longer. Also features the new, improved heavy-duty ratchet.

## Height Sticks, Graphite Lube, Anti-Slip Paint, and Other Useful Things

### The Big Red Height Stick (15ft)-Version 2

SKU#: [AH-REDSTICK-V2](#)

★★★★★ 4.9 (40 reviews)

Our Price: **\$159.95**

**It's big, it's red (actually dark orange), and it's now(2014, time flies) improved even more!**

This is the latest V2 version of the AutoHauler Supply designed best selling height measuring stick.

The V2 comes with a new arm bracket, making it "double sided", for right hand or left hand use!

(the V2 was actually introduced back in 2014)

This 15 ft height pole with 4 ft horizontal swing arm features the strongest hardware and the thickest fiberglass tubes.

Best of all, it collapses down to 4' 5" long, making it the easiest height stick to store!

(Another AutoHauler Supply first: make height sticks in 4 sections instead of 3, to make them easier to store. We see that the other companies are now copying this idea too, just a few years later!)

Our design uses an oversized wing screw, to make it the sturdier, simpler (fewer parts that can break) solution, and our faster to snap in place white nylon buttons.

A nice heavy duty nylon storage bag is also included!

**This is the original 4 stage REDSTICK invented by AutoHaulerSupply, with laser engraved numbers.**

## SLIP Plate No.1 , 6-1 QT Cans

SKU#: [AS-33005OS](#)

Our Price: **\$84.95**

Slip Plate Graphite for your Car Hauler risers, or other applications where a slick easier sliding surface is needed. Properly coated risers, will make the cylinders work easier, when lifting or lowering the decks.

This product is formulated with a very high concentration of friction fighting graphite and a proprietary binder system to provide a long-lasting dry lubrication for the heaviest loads.

When applied and dried, this product creates a dry anti-friction graphite coating that does not attract and trap dust, dirt, mud, or grit as compared with greases and oils.

Naturally hydrophobic, it provides lasting protection from rain, snow and mud to help to prevent rust and corrosion.
